

EARTHQUAKE APPEAL 2016

Sadly this summer we had to face the dramatic consequences of the earthquake in Central Italy.

As ever AISPA responded by carefully considering the **best and most efficient actions** that would contribute to animal welfare and relief operations in the affected areas.

Thanks to our local veterinary representative Maira Sgueglia who liaised with professionals and local organisations in the field,
AISPA successfully delivered significant quantities of medicines and other provisions.
And we will supply more as the need arises.

Unfortunately, the news media tend to focus on the immediate aftermath of such events when of course help is needed for several months afterwards.

**For this reason we ask you not to forget that the earthquake crisis continues and
Your help is still very much needed.**

Please donate today towards our earthquake relief campaign.

**You can do this via our website www.aispa.org.uk
or by completing the form below.**

There is still a lot to be done.

Together we know we can do it.

Please note that to keep administrative costs to a minimum for this Appeal, we will not acknowledge receipt of your kind donation, unless specifically requested to do so.
