

Annual Appeal 2026

AISPA

The Anglo-Italian Society for the Protection of Animals

Dear Supporters

Here are six projects that would particularly benefit from your support this year. I look forward to hearing from you and thank you in anticipation. Please tick as many as you like!

With very best wishes

Andy Geddes - Secretary

FANO - CAT OASIS

Cristina and her volunteers have cared for cats in Fano's colonies for many years. She built an Oasis in the countryside where they provide shelter for 45 cats. She wants to buy an insulated container to house food and a clinical area where her vet can administer minor treatments. She would be most grateful for your help.

MONTAIONE - ITALIAN HORSE PROTECTION

IHP is an established rescue and rehabilitation centre for mistreated horses and is led by Sonny Richichi. They have started to build a small on-site infirmary. They inevitably have a large site to manage and would like to purchase a motorised wheel barrow for collecting manure. This would be a valuable addition to their assets with your support.

PISA - GATTI MAMMONI - CAT SANCTUARY

Gatti Mammoni is led by Erica Simi with a small group of volunteers. They care for approximately 190 cats and have been supported by AISPA since 2013. They want to demolish two now dilapidated wooden structures and replace them with two galvanised sheet metal structures that will then be insulated and heated by two new heat pumps. They would be most grateful of your valuable help in achieving these objectives.

CHIUSI - CANAGLIE RANDAGIE - DOG SHELTER - **NEW PROJECT**

The project is led by Monia Pampili, a professional dog behaviourist, who has established a small facility entirely focused on dog behavioural rehabilitation with the intention to provide speedy rehoming for dogs that would otherwise be condemned to abandonment or confinement in municipal pounds. Following storm damage, they need to replace three large metal roof panels and associated guttering. Please support this worthy new project!

ROME - TORRE ARGENTINA - CAT SANCTUARY

AISPA has supported this renowned cat sanctuary in the city centre of Rome for over 30 years. They would like to replace the large nursery window, which is home to our most fragile rescues. The window is the width of the room, offering light and fresh air on warm and mild days. In the extreme weather months, it offers protection from the cold or heat. Please support their on-going work in the Italian capital.

LIPU - BIRDS

David Lingard runs the UK branch of LIPU - Lega Italiana Protezione Uccelli. They are the Italian equivalent of our RSPB and are the leading nature conservation organisation in Italy. The Piana di Gela in Sicily is a critical breeding site for the Collared Pratincole (*Glareola pratincola*), hosting approximately 50% of the entire Italian breeding population. Due to their reliance on agricultural land for nesting, it makes them vulnerable to farming machinery and activities. LIPU is monitoring the breeding colony, working directly with local farmers to prevent nest destruction. Your support would be much appreciated!
